

# THE MINACK THEATRE TROPHY

The Hertfordshire Players have been playing here since 1972. Company membership is drawn from several theatre groups in their home county and is formed every two years specifically to bring a show to Minack.

This ensures they always have a great mixture of cast and crew and provides them with the opportunity to work on a much larger scale than would normally be possible.

This is the fourth time that The Hertfordshire Players have won this coveted trophy, most recently for 'Grimm Tales' in 2000.
